**Bring The Fun Home**

**By: Emily M.**

Are you bored at home? Looking for some fun activities to do during quarantine? Well then you're looking in the right place! Quarantine can be very restricting and it can get boring quickly. Let's talk about some fun activities we can do at home.

For starters you can bake a delicious dessert. Some ideas for desserts are making cookies, cupcakes, cakes, and pies. If you don't like to bake you can host a Family Porch Party with only close family. If you don't know what a Family Porch Party is, think of it as inviting neighbors or family and eating and playing board games. Remember to stay six feet apart whenever possible. If you enjoy cooking try some new recipes. Some ideas are [pressed picnic sandwiches](#), [chicken and vegetable bowls](#) or [Rainbow spaghetti](#). Another thing you can do is turn the backyard into an outdoor play wonderland by bringing out your favorite toys to play with. You can find some empty boxes and decorate them to make it look like your favorite roller coaster. If you're not allowed to do that you can make an art corner and get crafty. Bring some paper and markers or crayons and draw a picture of your favorite animal. Some great ideas that can involve the whole family include playing games or putting together a puzzle.

## Bring The Fun Home... Continued

Working on the home is also important because you will be spending a lot of time there. Painting or rearranging some furniture can make you feel like you are in a new room. Some other ideas are setting a fancy dinner table, redecorating your desk, planting flowers, or hanging a gallery wall. Staying focused is important and making a quiet spot for reading will help you do that.

Quarantine can be hard but you can make it fun if you bring the fun to you. Safety is most important but that doesn't mean you can't have some fun. These are some ideas to find more resources you can follow the links below :

## The Chicken Nuggets... A Short Story by Clarise M.

### *Toby's 10 Piece Chicken Nuggets*

*R.I.P.  
2021-2021*

The twins, Toby and Tommy, just left school and now are on their way home. During their walk home,

Toby said to Tommy, "Can we go to McDonalds?"

Tommy then said, "No, we have food in the house"

Toby then begged, "Pleaseeee?"

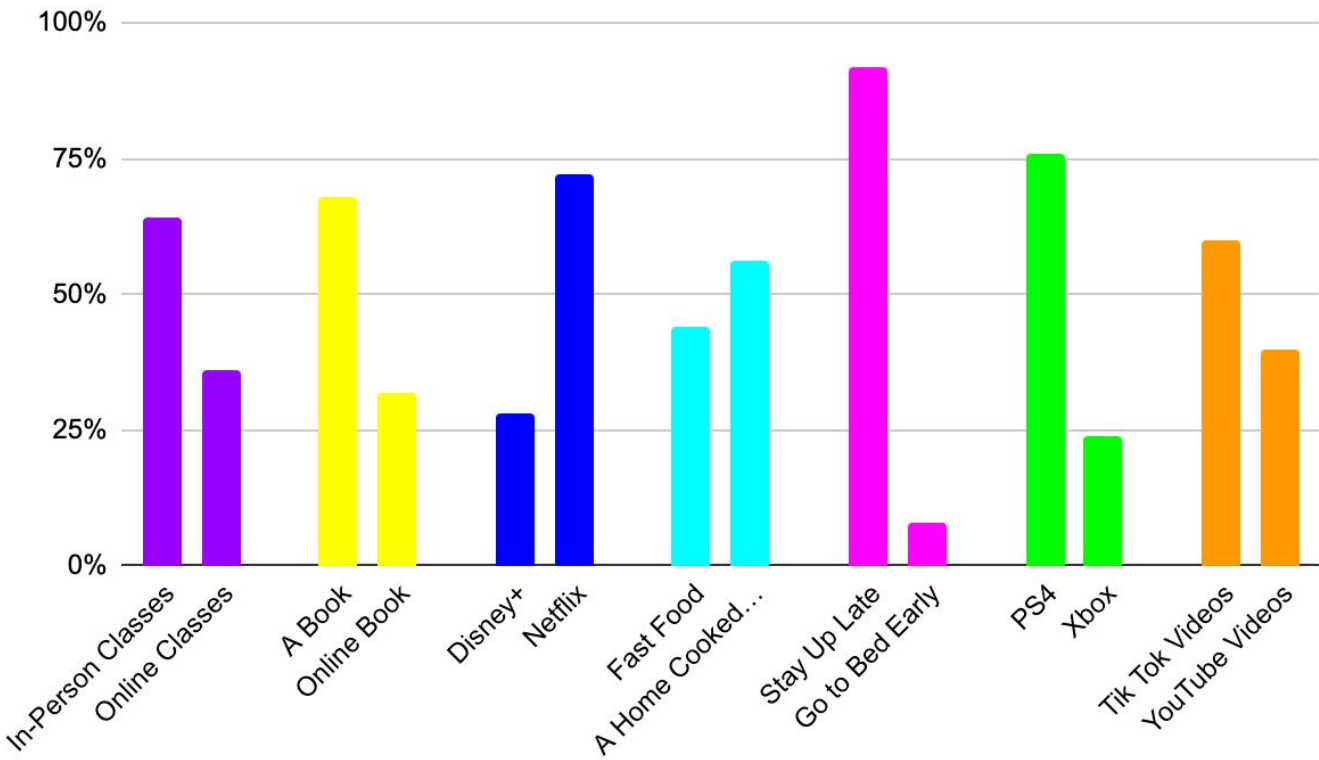

"Fine" Tommy replied with an angry sigh

Toby and Tommy made it inside McDonald's. While Tommy was waiting in line for the chicken nuggets, Toby was so filled with excitement that he started jumping around out of happiness until the worst happened.... The twins accidentally bumped into each other after Tommy got his hands on his little brother's nuggets! The chicken nuggets then fell on the dirty floor!

"NO! NOT MY NUGGETS NO!" Tommy cried in horror.
